The Daylight Store

The Newest and Latest Merchandise.

We have been in market three times in the last four weeks. These trips make us stronger as gatherers of the latest Dry Goods. It gives us a chance to see what is to be had and it gives us an opportunity to see what these largest cities consider the best. We want now to ask you to see the following goods while they are being opened up.

NOTION DEPARTMENT.

Here are the latest styles in all kinds of Neckwear, such as Swiss, Venise, Roman and Persian styles; also the new ideas in Hand-made Battenberg and Dutchess Lace Collars.

It's here that those Swiss, Battenberg and Venise Bolero Lace Jackets are to be seen. (No two alike.)

Lace and Allover to match in the little fine patterns; also the double width Embroidered Lace Net for whole waists or dresses, with Lace Edges to match.

NOTION DEPARTMENT.

Baby Irish Laces and Allovers to match in all grades and a large assortment of designs, from the very cheapest up to the very best.

Persian Bands for dress trimmings, especially for tailored suits, are the things we have bought liberally of, believing them to be the kinds wanted.

Before this season closes you will see Persian Ribbons at their best. You won't have to go out of our store for these goods.

WOOL AND WASH GOODS

As soon as you step into either of the above departments you will not have to be told that we have outdone ourselves. We started out with that intention early in the season, when new things were first appearing.

Wool Dress Goods in checks and mixtures are good, especially the light shades. Reseda greens in plain colors are very good. Greys of all kinds, especially in light shades, are the leaders.

Arnold Wash Goods will this season take a lot of deserved attention. We have every cloth on their card.

We are putting new life into the above departments that will benefit our trade equally as much as ourselves.

A. P. ABBOTT & CO.
